SUBJECT: Bill Bradley for President, Inc. (AR 01-11) — Request to Correct
Commission Certification

This memorandum supercedes the prior memorandum submitted to the Commission requesting correction of the Commission Certification in MUR 5279. As per the recommendation of the Commission Secretary, we hereby request correction of the Commission Certification in AR 01-11.

On June 26, 2002, the Commission found reason to believe Bill Bradley for President, Inc. and Theodore V. Wells, as Treasurer, violated several provisions of the Federal Election Campaign Act of 1971, as amended and Commission regulations. In addition, the Commission made reason to believe findings against the Kushner Companies, its associated partnerships, and numerous individual contributors. It has come to this Office's attention that the Recommendations section of the First General Counsel's Report erroneously named Gene Scheinerman as a respondent (Section IV, page 30, line 15; page 31, line 22). The correct name of the respondent is Gene Schenkman. Absent objection, this Office requests that the Commission Secretary issue the Certification of the Commission's action in this matter with the corrected information.
